

- Place of Origin: china
- Brand Name: ShengQuan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310/32750/32760/9001
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

## Product Description

### NO.4 ASTM304 Stainless Steel Sheets SGS 6mm Stainless Steel Plate For Decoration

Stainless steel is often used in the medical industry to keep things sterile. The metal is easy to clean and creates an environment that won't let bacteria thrive. This steel is so widely spread in the medical industry that there are grades of steel colloquially referred to as “surgical stainless steel.”

#### Product category

| Hot Rolled Stainless Steel Coil/Sheet |                                                                             |
|---------------------------------------|-----------------------------------------------------------------------------|
| Steel Grade                           | 301, 304, 304L, 316, 316L, 316Ti, 410S, 410, 405, 430                       |
| Standard                              | ASTM A240/A240M, ASiffi SA-240, SA-240M, JIS G 4304, EN 10028-7, EN 10088-2 |
| Thickness(mm)                         | 3. 0-14. 0                                                                  |
| Width(mm)                             | 1000-2000                                                                   |
| Length(mm)                            | Sheet:≤6000; Coil                                                           |
| Status                                | Solid Solution and Pickling; Annealing and Pickling                         |

| Cold Rolled Stainless Steel Coil/Sheet |                                                                                   |
|----------------------------------------|-----------------------------------------------------------------------------------|
| Steel Grade                            | 301, 304, 304L, 316, 316L, 316Ti, 321, 410S, 409, 409L, 410, 420, 410S, 430, etc. |
| Standard                               | ASTM A240/A240M, ASME SA-240/SA-240M, JIS G 4305, EN10028-7, EN10088-2            |
| Thickness(mm)                          | 0.3-3.0                                                                           |
| Width(mm)                              | 1000-1219                                                                         |
| Length(mm)                             | 1000-2438 or Coil                                                                 |
| Status                                 | Solid Solution and Pickling; Annealing and Pickling                               |

#### Packing & Delivery

##### 1. Who are we?

We are based in wuxi, China, start from 2021, sell to Mid East(35.00%), South America(20.00%), Southeast Asia(20.00%), Africa(5.00%), Eastern Asia(5.00%), Northern Europe(5.00%), Southern Europe(5.00%), South Asia(5.00%). There are total about 51-100 people in our office.

##### 2. How can we guarantee quality?

Always a pre-production sample before mass production;  
Always final Inspection before shipment;

##### 3. What can you buy from us?

steel sheet coil, ppgi ppgl, galvanized steel coil, aluminum steel coil sheet, stainless steel

##### 4. Why should you buy from us not from other suppliers?

Integrating the superior resources of China's steel industry, we provide customers with high-quality steel products at preferential prices, and can ensure that the goods are delivered to customers in a timely manner.

##### 5. What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW, FCA, DDP, DDU, Express Delivery

Accepted Payment Currency: USD, EUR, CNY;

Accepted Payment Type: T/T, L/C, Credit Card, Weste
